DISTRICT 8 • 505 S. STATE ROUTE 741 • LEBANON, OHIO 45036 • (513) 932-3030  
JOHN R. KASICH, GOVERNOR • JERRY WRAY, DIRECTOR • TAMMY K. CAMPBELL, P.E., DISTRICT DEPUTY DIRECTOR

Date June 24, 2016

Re: BUT-SR73-13.05  
PID 102059

Dear Stakeholder:

The Ohio Department of Transportation has recently received safety funding from the Highway Safety Improvement Program for the intersection of SR-73 (Trenton Oxford Rd) and Jacksonburg Rd. The funding became available following an ODOT sponsored safety study as well as in response to safety inquiries from the Wayne Township Board of Trustees. A feasibility study completed by the consultant, Burgess & Niple, has recommended a roundabout alternative for this intersection.

The existing skewed intersection of SR-73 and Jacksonburg Rd has received several safety upgrades in the past. Following a 2015 Safety Study and the comparison of possible alternatives, it has been determined that the construction of a roundabout at this intersection will best increase the safety of the intersection and the Wayne Township community. The proposed project is scheduled to begin construction in 2019. This project will fulfill the needs of the community by improving the safety of the intersection and surrounding area.

You are invited to a public input meeting where you can review and provide feedback on the preliminary project plans. This will be an informal, open house style meeting on

**Wednesday July 20, 2016 5:00 pm – 7:00 pm**

**Edgewood High School**

**3045 Busenbark Road**

**Trenton, OH 45067.**

At this time it will be possible to review and comment on the proposed plans. There will also be public officials and project representatives available at the meeting to address any questions.

This direct notification letter is being sent to property owners and residents in the immediate project area. Notices for this public meeting are also published in local newspapers and the ODOT district 8 webpage ([www.transportation.ohio.gov/dist8](http://www.transportation.ohio.gov/dist8)). Public input is an important part of the development process. If any individual requires special assistance or interpretation, contact the project manager, Brianne Hetzel, at 513-933-6624 five to seven days prior to the event.

More information about the meeting, project or directions to the meeting location can be found on the ODOT District 8 webpage or by contacting Brianne Hetzel at the number above.

Respectfully,

*Brianne Hetzel*

Brianne Hetzel, P.E.  
D8 Traffic Planning Department  
Project Manager

*The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project being, or have been, carried-out by ODOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 28, 2015, and executed by FHWA and ODOT.*
