

**BUTLER COUNTY ENGINEER'S OFFICE
Butler County, Ohio**

*** Request For Qualifications ***

**Engineering Services – 2021
Project: Princeton Bridge #6.887**

The Butler County Engineer's Office intends to contract for engineering services in connection with the replacement of the Princeton Road Bridge #6.887 in Liberty Township. Firms interested in being considered for a contract to provide the required services should reply with a statement of qualifications no later than 4:30 pm on January 15, 2020. Statements received after this deadline will not be considered.

Statements of qualifications should include information regarding the firm's history; education and experience of owners and key technical personnel; the technical expertise of the firm's current staff; the firm's experience in performing engineering studies, design, availability of staff; the firm's equipment and facilities; references; and any previous work performed for the Butler County Engineer's Office.

Statements of qualifications should be emailed to Ms. Paula Burton:

burtonp@bceo.org

As required by Ohio Revised Code §153.65-73, responding firms will be evaluated and ranked in order of their qualifications. Following this evaluation, the Butler County Engineer's Office will enter into contract negotiations with the most highly qualified firm.

The preliminary project description is as follows:

Name of Project: Princeton Road Bridge #6.887

Location: Located on Princeton Road between the south leg of Mauds Hughes Road and the north leg of Mauds Hughes Road over Gregory Creek.

Description: The replacement of an existing three-span 130 feet continuous steel beam bridge with metal deck, hammerhead piers, and semi-integral abutments. The proposed bridge will be converted to a single-span structure. This project will be constructed in conjunction with a proposed roundabout at the south leg of Mauds Hughes Road and Princeton Road. The roundabout is an LPA project currently being designed by a consulting firm.

- Existing Site Plan (shown in posting)
- 2020 Bridge Inspection Report (shown in posting)

Total Project Budget: Preliminary Estimate: \$1,600,000

Source of Funding: Future OPWC funding

Anticipated dates for design startup/completion: 02-01-2021 / 10-01-2022

Anticipated dates for construction startup/completion: 03-15-2023 / 08-01-2023

Special Requirements or Restrictions:

- Design Team shall be ODOT prequalified in the following categories:
 - Bridge Design Level 2
 - Non-Complex Roadway Design

Design Team shall also contain the following general categories:

- Geotechnical Engineering
 - Drainage Engineering
 - Environmental Engineering
 - Surveying
- A project approach is not required for this project.
 - The length of the proposal shall not exceed ten pages (not including resumes).
 - There will be no formal or informal meetings with the Butler County Engineer's Office during the advertisement period. Any specific questions regarding the projects can be directed via **email** to the project manager.

Project Manager: Nick Okuley (okuleyn@bceo.org)
