Engineering Services – 2018
Project: Wayne Madison Road at Trenton Road Roundabout

The Butler County Engineer's staff have reviewed consultant submittals for the above referenced project and selected the following firm:

Burgess & Niple

Throughout this process, it has been our objective to select the firm most qualified to provide the services required. Accordingly, we have entered into contract negotiations with the above named firm.

Our sincere thanks is extended to all firms that submitted proposals. We appreciate the time and effort it takes to develop these proposals and we look forward to the opportunity to work together on another project in the future.

Sincerely,

Gregory J. Wilkens, P.E., P.S.
Butler County Engineer
